This is in response to the Official Action mailed July 31, 2007. Claims 1-3, 5, 7-12, 18-22, 26-36 are pending in the application. Claims 28-33 were withdrawn from consideration, as drawn to a non-elected invention. Claims 1, 8, 18-22, 26, 27 and 34-36 were rejected. Claims 2, 3, 5, 7 and 9-12 were objected to. The specification, as previously amended, was objected to as containing new matter.

Applicants wish to thank the Examiner for the interview courteously granted to applicants' attorney on October 12, 2007. It is believed that this Amendment accurately reflects the discussion that took place during the interview.
